

Cragun's **LEGACY LINK NEWSLETTER**

**The Season is here and the Legacy Staff is full of cheer!
After we buttoned up the course this year,
We pondered the things that might bend your ear.**

**We went over all the events we hosted
And to our great amazement we found that people had boasted!**

**We were told time and again that Matt & his crew made sure the course stayed beautiful
Even when storms came and took out some trees, the playability was still quite suitable.**

**Happy we were to be part of that success
Let's do it better next year we said – without all the mess!**

**So Chuck got busy directing his team
Making sure that each of us has some kind of dream.**

**For Brian it is to find that perfect putter,
While Sean just wants a printer that doesn't stutter!**

**Clayton wishes we had more lodging to sell,
While Amy hopes to plan more crazy events that will ring your bell!**

**Carrie's been busy booking so many weddings,
She even asked Irma to get us some new table settings!**

**On Friday and Saturday's Adam's been cooking up a storm
Some of our golfing friends keep coming in – Maybe we should call them Norm?**

**As a team we look forward to having you here again as our friends and guests,
Our goal is to always provide you with nothing but the best.**

**Don't worry about us over the next few cold months
We're busy planning, selling and organizing for once!**

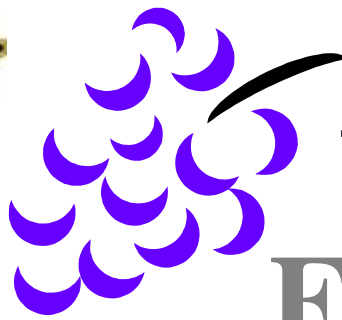

**We have lots in store that may be new
Fret not, it's all fun for you!**

**So while your favorite golf courses are covered are covered with snow,
Think Cragun's for snowmobiles, X-C skiing, skating, swimming or Spa is the place to go!**

**So Happy Holidays to one and to all
Whether it's Winter, Spring, Summer or Fall,
We're always here for you, so please don't hesitate to give us a call.**

Ladies Night at the Legacy—11/30

A great time was had by all at the first Ladies Night at the Legacy. The evening started with a sampling of a fabulous "Royal Flush" cocktail and a free glass of wine. Then everyone took advantage of an opportunity to shop at some delightful boutiques offering jewelry, purses and spa products. I think everyone came away with some great ideas for

Christmas gifts or just something for themselves. The "Create Your Own" pasta bar staffed by Chef Adam was delightful and very tasty! Tami Lu Smith from Stage 1 took us through some core body rhythm moves to get us all warmed up for dancing. This was an enlightening and challenging experience for all. Everyone participated in the dancing and enjoyed a lot of the group dances demonstrated by Tami Lu.

The next Ladies Night at the Legacy will be:
