2007 Legacy year in review

The Legacy in general went through some external and internal changes in 2007. Bobby's #2 was under construction most of the year. For those of you who may not have had a chance to play it this fall, you won't be disappointed. Matt McKinnon and his crew completely transformed the hole, making it more playable and hopefully our signature hole.

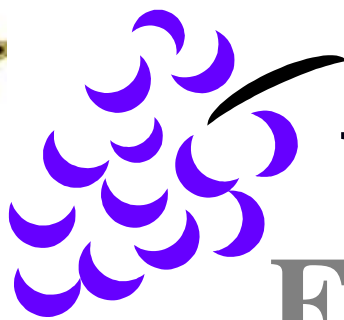

We hosted a number of tournaments and corporate groups again this year. Some of them are annual events and some were new to the Legacy this year. A lot of planning is required to make these events successful. The Legacy staff gets involved with the various committees to help that planning process so that when the day of the event arrives, everything runs perfectly. Our goal is to make sure that everyone has a good time and a successful event. We believe that our facility and our service make choosing Cragun's Legacy an easy choice. The following are some of the events held here in 2007; The CLC Duffers Open, Camp Confidence's *The Classic*, MN State Fireman's Convention Tournament, Brainerd Lakes Area Chamber Annual Golf Event and the annual MMBA Golf tournament.

We take pride in the fact that we are usually able to accommodate our tournament guests, corporate guests, all of our members, Resort guests and walk-in's alike. We strive to make sure that no matter who is here on any given day, they will be treated with the same level of service.

Internally we had a few additions to the staff this year. Clayton Houff came on board in February as the Golf Sales Manager; he is in charge golf package sales. Sean Sicilian also joined us in February; he is focusing on tournament and group coordination. Dawn Buckwalter accepted the Merchandiser position and started in March. Carrie Hofmann, who previously worked at both the resort and the Legacy, decided to come back to Cragun's Legacy in March as the Banquet Manager. She recently accepted the position of Food & Beverage Manager.

Even though we're a "newer" team, we have a lot of different experience and many fresh new ideas. We had a great season and look forward to working with all of you in the coming years.
