

NOTES OF APPLAUSE – SUCCESSFUL MEETINGS!

“Everything went very smoothly and just as we expected. Our entire management planning team was very impressed with the fun activities, delicious meals, and overall superb hospitality. We will most certainly consider Cragun’s as our first choice for future company events!”

Bob Perkins, Silicon Graphics, Inc.

“The Wensman Seed Company held its annual meeting at Cragun’s at the end of June. Your hospitality was overwhelming! Our group especially enjoyed the barbeque meal that was served picnic style on the beach. What a fabulous night! The food was outstanding and the service was incredible. We stayed late for the bonfire and everyone thoroughly enjoyed themselves. Your meeting rooms met our needs very well and I really appreciated the constant attention your staff provided. The entire group felt their guest rooms were top notch as well. And the fun activities, including golf at the Legacy and the pontoon ride on Gull Lake, provided a very nice break from our meetings. Thanks for the memorable kick-off to our new sales year.”

Dan Sartell, Wensman Seed

“Our meeting used technology to enhance the presentations. The free wireless access and your support people were just fabulous. Our technology person was able to accomplish so much – well done!”

Jody Freund, Rotary 5560

“Conference planning and housing were super. Front Desk and check in was fast and efficient. The privacy in the dining room was really nice for a group and the food and service were fabulous. Cragun’s staff was accommodating. Recreation was fabulous. Phenomenal entertainment – karaoke bar is superb! Cragun’s is the perfect prescription for stress release!”
