# What is FootGolf?

FootGolf is a combination of the popular sports of soccer and golf. It is a precision sport where players kick a football (soccer ball) into a 22 inch cup in as few shots as possible. At Cragun's Legacy Courses FootGolf is played on the Par 3 Course and can be played while golf is being played as it follows the same course layout.

**Fun for the whole family.** FootGolf is a great game for all ages. It follows the same rules as traditional golf but is a game that anyone can play. Bring the whole family out and enjoy this great new sport.

## Two Great Courses

The Par 3 course is reversible so we have created 2 great FootGolf courses. From Memorial Day through Labor Day we alternate the two courses each day. So you will have to come play them both.

## FootGolf Basic Rules

1. Wear appropriate clothing - golf cap, collared shirt and argyle socks are preferred.
2. Your ball must be easy to identify
3. Kick off your ball from a position up to two meters behind the tee markers.
4. The ball must be played in a single movement. You are not allowed to push the ball with the top or bottom of your foot. Your foot should be set separate from the ball before each kick.
5. Wait to play the ball until the ball has completely come to rest.
