on our **Par 3 Course** for every member of the family, even beginners. Plus reduced greens fees on our famous 36-hole Legacy Courses!

Dear Vacationer,

As Irma and I enter our **80th year** of business with Cragun's Resort, we are excited to share this brochure with you about some of the **memorable events** and "happenings" to enjoy at Cragun's.

There's something special about a great vacation. A truly memorable getaway isn't only about your favorite recreation or how long you stay. We're convinced *the best vacations come from the experiences you've had, and the friends and family you share those times with!*

We estimate that over **3 million guests** have enjoyed the unique experience of Cragun's hospitality since 1940. This includes people who return to share Cragun's with lifelong friends and family, making their fondest vacation memories here. Our greatest joy comes from sharing these memories of past vacations... at our Welcome Parties and through the videos and photos sent to us (see some below).

We do hope you **choose to join us** this year!
We are so **grateful for our guests** who share their precious vacation and family time together with us.

Please call and tell us about your getaway goals for this year. Our Vacation Planners will begin working on all the details to make it a memorable Cragun's vacation!
